LOOKING FOR LIVE MUSIC? STRUT RIGHT THIS WAY!

From 1pm to the fabulous finale at 10pm, there are 10 live acts in 10 venues waiting to entertain you on the hour, every hour. How many gigs will you get to? Use #streathamfestival to post your photos and mini-reviews!

BAR 61 RESTAURANT 61A Streatham Hill, SW2 4TX **POPPY HOLMES**

Poppy Holmes is known for her ethereal and confessional style. With a theatrical background and lyrical prowess, her generation-spanning influences and warm, honey-like vocals traverse a broad emotional spectrum, earning plaudits for her "decidedly sophisticated" music.

NO 22 KITCHEN & BAR 22 Streatham High Rd, SW16 1DB **TOOTAWL**

A looming presence in every sense, Tootawl's music is frank, forward, and rich with emotion. Christened 'too tawl' due to his height whilst gigging in Nashville, Tootawl plays contemporary folk and blues.

THE HILL 5 Streatham High Rd, SW16 1EF **THE MAYANS ELECTRO**

The Mayans Electro are a combo blending jazz-funk and Latin-soul influences. Known for their tight melodic grooves, earthy vibe, and a deep dive into funky fusion, they rework popular tunes alongside original tracks from their EP, Cowcatcher.

STANLEYS OF STREATHAM 60 Streatham High Rd, London SW16 1DA **EAST OF MEON**

East of Meon, is a South London based combo will get your feet tapping with their cool jazz, hard bop and sensual Latin vibes through to high energy funk. Featuring Kati Whitaker on saxes, Marcus Hill on keys, and Andy Coe on bass plus drums/percussion.

TOOTING BEC COMMON

START HERE

THE LEIGHAM WELL 1-3 Wellfield Rd, SW16 2BT WHISKEY KITTENS

Whiskey Kittens play covers with a twist. This rock/pop duo play your favourite songs in a funky, rocked up style with stunning harmonies throughout. They love to interact with the crowd and will soon have everyone singing along!

THE WHITE LION 232 Streatham High Rd, SW16 1BB BILONGO

Bilingo is steeped in the music of Cuba, playing salsa and other styles that originated there. They play tuneful, rhythmic music that gets everyone up and dancing, as well as beautiful ballads.

MANOR ARMS 13 Mitcham Lane, SW16 6LQ THEM NUDES

Them Nudes are a transformative four piece delivering raw edged music derived from the lived experience growing up in the UK. The songs they produce speak of loss, heartbreak, broken homes, alcohol misuse and a lack of direction.

EARL FERRERS 22 Ellora Road, SW16 6JF LUA SOL

Lua Sol are a London based 5 piece who effortlessly mix r&b, soul, and jazz to form their own unique sound. They will be playing tunes from their debut EP, Alcove Moon, which captures the spirit of their sessions: intimate and organic.

THE RAILWAY 2 Greyhound Lane, SW16 5SD DARRAGH'S DAUGHTER

An Englishman, an Irishwoman and a Scotsman walk into a bar – and do an hour of Celtic bangers and songs for the soul, with moody loops, big kicks and blazing fiddles.

THE BULL 498 Streatham High Rd, SW16 3QB RED EARTH COLLECTIVE

The Red Earth Collective is a band drawn from alumni of Youthsayers, providing free opportunities for young people to experience group music making in culturally relevant genres such as afrobeat, jazz and reggae.

STREAT ART

The Art Trail starts at Winkworth's Estate Agents, Streatham Hill and ends at The Railway Pub in Streatham Vale. Take a stroll and stop off for a cuppa or a meal on your way as you enjoy a wide selection of creative works on display in local businesses' windows.

Visit the group shows at Tate Streatham Library, and the Woodfield Pavilion, meet some of the artists, and have a chance to buy affordable art! On Saturday 10th October, artists will be showing and selling extra works at the Art Market in Streatham Tate Library.
